Premium Payment

As the Insured, you are responsible for the payment of the Premiums.

The Premiums are payable monthly in advance.

If another person makes the Premium payments on your behalf, such person shall not become the Insured or have any right or entitlement to the benefits payable.

If a Premium is not paid on the specified payment date, Viva Cover will notify you by SMS.

If a Premium is not successfully collected, Viva Cover may attempt to debit your account:

- and in the event of a successful debit your payment date may be amended accordingly, and we may keep debiting you on the same date in the future.

If a Premium is not paid on the due date, your account will be debited in the following month for 2 (two) months premiums.

If the Payment Date falls on a Saturday, Sunday, or public holiday, we will collect the Premium on a more suitable business day.

If the Premium remains unpaid (after the double debit attempt) and the policyholder fails to remedy the failure within 30 (thirty) days (the Grace Period), the Policy will lapse at midnight on the last day of the preceding period of the Policy.
